Well, my computer is forced rebooting to update Windows. If it finishes relative quickly I'll get to this today.

Hello Michael – how's it going? I am getting ready to send the SWRAU info spreadsheet back to Headquarters (for sites that have not achieved SWRAU but have achieved CC). This is due next week. I just have two sites remaining to fill in info for, Intersil and TRW Microwave. Can you please fill out the info below and send back to me?

Thanks,
Cynthia

Region	State	EPA ID	Site Name	Do additional ICs need to be implemented at the site? <i>Select response from dropdown menu in cell. If "Yes", please include a description of <u>type</u> and <u>scope</u> of ICs in the "Comments" Column.</i>	If ICs need to be implemented, how many property parcels need ICs? <i>Enter numerical value and provide description in the "Comments" Column.</i>	If ICs need to be implemented, what type of IC instrument is anticipated? <i>Enter one or more of the following: Governmental, Proprietary, Enforcement, Informational</i>
